

Bronwyn Bone President

Bronwyn received her Bachelor of Science in Nutrition from the University of Saskatchewan in 2008. She has worked as a community dietitian, clinical dietitian and foodservice project manager for the RQHR. Recently, Bronwyn has taken on the role of Portering Manager at the Pasqua and General Hospitals in Regina. Bronwyn has been on the SDA board in various roles since 2011 and has had the opportunity to represent SDA on several working groups including updating the Canadian Dietetic Registration Exam (CDRE).

Outside of work, Bronwyn teaches dance fitness classes, enjoys traveling and trying new foods.
