# **Robin Hartl, RD**

## **MAL Registration**

Robin received her Bachelor of Science in Nutrition from the University of Saskatchewan. She currently works as a clinical dietitian at Sherbrooke Community Centre, a long term care home in Saskatoon. Robin is currently the representative for Manitoba and Saskatchewan on the Dietitians of Canada's Gerontology Network.

Prior to working at Sherbrooke, Robin worked for a number of years as a community dietitian in Saskatoon working in the areas of child development and community food security. For 3 years, she was the Saskatchewan representative on the Dietitians of Canada's Nutrition and Food Security Network.

Robin loves food and how it brings people together. She tries to garden (mostly unsuccessfully), enjoys cooking and especially consuming food. She enjoys travelling and being at the lake and loves spending time with close friends and with her partner Jason.
