
Laurel Leuschen

Past President

Laurel received her Bachelor of Science in Nutrition from the University of Saskatchewan and completed her Internship in Regina, SK. She currently works for Saskatoon Health Region, LiveWell Diabetes Program Aim 4 Health. Laurel has worked in many positions including jobs in rural SK, rural NF and now in Saskatoon. Laurel has a passion working with individuals who have a chronic condition especially those with diabetes. Working with people who have diabetes is challenging and rewarding all at the same time.

Laurel looks forward to being a part of the SDA Board and learning more about the role SDA plays as our regulatory body.
