
Stuart Webb

Public Appointee

Stuart was appointed a Public Representative to the SDA board in May 2018.

He received his post-secondary education from the College of Commerce, University of Saskatchewan. His professional career encompassed senior management positions in Alberta and Saskatchewan, leading to employment as a consultant with the Saskatchewan Ministry of Health for almost 20 years.

He was the recipient of the Premier's Award for Service Excellence prior to his retirement in 2017.

Stuart and his wife Bev reside on the family farm in Ogema. They have three grown children with families of their own.
