

## Saskatchewan Registered Dietitian Directory for Individual Client Services

There are multiple ways to access the **individual services** of a **Registered Dietitian** in Saskatchewan. How you access the Dietitian's services will depend on where you live and what type of service you need. Use our directory to help navigate. It is organized by geography (NE, NW, SE, SW). Private practice Dietitians are listed on page 5-6, alphabetically by the name of the private practice. There are also free group class options listed on the last two pages.

- 1) Self-refer! Phone your local health center or the number listed below and ask to speak to the dietitian.
- 2) Have your family physician or allied health care provider send a referral for dietitian services.
- 3) Contact a private practice Dietitian who offers fee for service. Check your insurance plan for coverage.

		<b>***Unless otherwise stated, the Dietitian accepts self and allied health provider referral</b>
