STANDARD 6

COMMUNICATION

Saskatchewan
College of Dietitians

2018, Updated May 2026

Standard

Registered Dietitians communicate effectively, respectfully, and in compliance with applicable legislative and regulatory requirements when providing **professional services**.

Indicators

To demonstrate this standard, Registered Dietitians will:

- a) Be clear and respectful in all verbal, nonverbal, and written **communication**.
- b) Maintain **clients'** privacy and confidentiality in all forms of communication.
- c) Use strategies to promote effective communication (e.g., active listening, empathy).
- d) Adapt communication to the needs of clients and minimize barriers by incorporating relevant supports as available (e.g., interpreters, visual aids, technology, appropriate language, culturally appropriate resources).
- e) Use strategies to facilitate client comprehension and learning (e.g., opportunity for questions, teach back, appropriate literacy levels).
- f) Communicate with professional integrity and maintain appropriate boundaries in all communication formats at all times.
- g) Document professional communications accurately and in a timely manner as required.

Practice Outcome

Clients can expect Registered Dietitians to communicate respectfully and effectively.
